

## WATERPROOF LAMINATE FLOOR WARRANTY

Effective date July 4, 2022

### RESIDENTIAL 25 YEAR LIMITED WARRANTY AND CONDITIONS

The finish of the laminate plank is warranted not to wear through under normal indoor residential use for a period of 25 years from the date of purchase. Finish wear-through is defined as 100% finish removal over a minimum of 5% of the total installation. Gloss reduction or surface scratches are not considered surface wear. The laminate plank is warranted to be free of manufacturing or material defects. This warranty applies to the original purchaser and original installation site.

The limited warranty applies to the original purchaser of the flooring and is not transferable with proof of purchase (original receipt of purchase with date). Manufacturer's warranty and liability does not extend beyond the Laminate flooring strips, the original installation site and is limited to a maximum value of the original purchase price of the Laminate flooring. The limited warranty does not apply to products referred to as "seconds", "mill trial" or "sold as is" grade products. The limited warranty does not cover conditions or defects caused by improper installation, inadequate subflooring or improper subflooring preparation. The limited warranty does not cover construction related damages.

### Acorn Residential Limited Warranty is made subject to the following conditions:

1. The flooring must be installed in accordance with Acorn installation instructions. Warranty does not apply if the laminate flooring has not been cleaned, maintained or cared for according to the cleaning and care instructions provided by Acorn.
2. Acorn warrants its products against manufacturing defects that exist in its products prior to product installation. Flooring installed with known defects is not covered under this warranty. All planks must be inspected for possible, recognizable defects before and during the installation as any right to claim under warranty becomes invalid after planks with visible defects have been installed. Warranty claims can only be accepted if the planks were delivered by the dealer in the original packaging.
3. The surface wear or damage must not be the result of abusive conditions, misuse of the product, freight damage, modification, alteration, repair or service of the product by anyone other than the authorized Acorn representative, improper care or maintenance (see care & maintenance instructions), or accidents, such as but not limited to severe impact, scratching, cutting, negligence or chemical damage. Gloss reduction is not surface wear. The surface wear must be readily visible from the distance of 6 feet, measuring at least 1 square inch. Wear-through at the edges of the Acorn product is excluded from the warranty.
4. The flooring must be installed in a dry, climate controlled, indoor, residential environment.
5. Moldings and accessories are not covered by this warranty

This warranty applies only to the original purchaser and is not transferable. If a claim occurs within 25 years following the date of purchase and meets the above conditions, Acorn, at its option, will repair, replace, or refund the cost of the defective materials. If the product for which a claim is made is no longer available, the customer shall be able to choose from Acorn’s current product range of equal value. Acorn warrants repaired or replaced products for the remainder of the original warranty period only. Acorn reserves the right to inspect the installed planks and to remove samples if needed for analysis.

The manufacturer or its representative reserves the right to visit the premise of the original installation site, where the product claim is generated. The manufacturer or representative will inspect the product in dispute and may remove samples, take pictures and/or conduct technical analysis of the original installation site. Failure of the owner to provide reasonable access to the claim area or to provide requested information and/or documentation may result in negation of the claim, thus it may void the warranty.

An original proof of purchase (including the date of purchase) must be presented when requesting warranty service. This Warranty, dated July 4, 2022, supersedes all Acorn previously issued.

This warranty gives you specific legal rights and you may have other rights that may vary from state to state. The foregoing warranty constitutes the entire agreement of the parties, and no waiver or amendment shall be valid unless in writing and signed by authorized representatives of Acorn.
